In 2014, Thaïs Habotte obtained a Master of Laws with honours from the University of Antwerp.

She opted for a general Master's degree after completing her basic training. She studied **corporate law, international and European law** and **law enforcement**.

Thaïs Habotte joined the firm in September 2014 when she was admitted to the Antwerp bar.

Given her special interest in **competition, market practices, consumer protection and intellectual property**, she decided to join the firm's business practice.
