Elisabeth Dejaegher graduated in 2014 with a Master of Laws from the KU Leuven. She spent the penultimate year of her studies at Charles University in Prague as an Erasmus exchange student.

During her master's, she minored in **International and European law** and majored in **private law**. In doing so, she developed a particular interest in **contract law and property law**.

In September 2014, she was admitted to the Antwerp bar, beginning her internship under the supervision of Professor Dr. Kristof Uytterhoeven. She is primarily active in **private building law**. In addition, she also focuses on cases relating to the **status and ethics of the architect**.
